

ORDINANCE NO. 630
(AS AMENDED THROUGH 630.13)
AN ORDINANCE OF THE COUNTY OF RIVERSIDE AMENDING
ORDINANCE NO. 630 RELATING TO DOGS AND CATS

The Board of Supervisors of the County of Riverside Ordains as follows:

FINDINGS.

Because of the increased urbanization of Riverside County the County has experienced increasing numbers of dogs and other animals being kept in close proximity to humans including children.

1. The keeping of dogs and other animals in close proximity to adults and children has resulted in increasing incidents of attacks, biting and menacing behavior by such dogs and other animals.
2. These incidents now present a public health and safety problem to the residents of this County and increasing numbers of cases have resulted in painful and/or serious injuries to adults and children, death and injuries to other animals, attendant economic losses to County residents, and anxiety to those bitten by unlicensed animals whose vaccination status is therefore not established.
3. In an attempt to bring this problem under control, it is necessary to (1) increase the total number of animals which are licensed and thus properly established to have been vaccinated against rabies and (2) encourage the spaying and neutering of animals, which (a) reduces the number of strays at large and not safely confined, (b) reduce aggressiveness and animals at large; and (c) reduces the financial cost to taxpayers of animal control services.

Such request shall specify the duration of the requested deferral, the reason for the requested deferral, and shall be signed by a veterinarian. The Director shall issue a license for such dog upon approval of the request for vaccination deferral and payment for the applicable license fee specified in Section 2, Subsection (f) of this Ordinance. In such event, the license shall be canceled and a pro-rata credit of the license fee by full calendar quarters of the original license period remaining after the death of the dog may be applied during said remaining period to the license fee for another dog acquired by the same owner.

Notwithstanding the provisions of Section 2, Subsection (a) of this Ordinance, where a person moves into the unincorporated area of the County of Riverside from another community who owns a dog which is currently vaccinated against rabies and for which dog a license was issued by such other community, such license shall be deemed valid for a period of one (1) year from the date such person moves into the unincorporated area of the County of Riverside or on the date of expiration of the license issued by such other community, whichever is earlier. If an application for a license from the Director is made more than thirty (30) days after such license is required, the applicant shall pay, in addition to the applicable license fee, a late fee of twenty five dollars (\$25.00).

Section 21. RECOUPMENT OF ENFORCEMENT COSTS. The intent of this Section is to authorize the recoupment of administrative costs reasonably related to the enforcement of this Ordinance. In furtherance of this intent the County shall be entitled to recover costs of enforcement, including costs of staff time, by complying with the following procedure:

- a. **Records of Costs.** The Department of Animal Services shall maintain records of all administrative costs, incurred by the Department and all other responsible County Departments, in the processing of the violation or violations and the enforcement of this Ordinance and other applicable ordinances and may recover such costs from the violator and/or property owner or property occupier as provided herein.

- d. **Right to Hearing.** Any violator or property owner, or other person having possession and control of the property, who receives a Summary of Costs under this Section shall have the right to a hearing before the Director of the Department of Animal Services or his/her designee on his/her objections to the proposed costs in accordance with the procedures set forth herein.
- e. **Request for Hearing.** A request for hearing shall be filed with the Department within ten (10) days of the service by mail of the Department's Summary of Costs, on a form provided by the Department. Within thirty (30) days of the filing of the request, and on ten (10) days written notice to the violator and/or owner, the Director or his/her designee

shall hold a hearing on the violator and/or owner's objections, and shall determine the validity thereof.

- f. Recovery of Costs.** In the event that (a) no Request for Hearing is timely filed or (b) after a hearing the Director of the Department of Animal Services or his/her designee affirms the validity of the costs, the violator, the property owner or the person in control and possession of the property shall be liable to the County in the amount stated in the Summary of Costs or any lesser amount as determined by the Director or his/her designee. These costs shall be recoverable in a civil action in the name of the County, in any court of competent jurisdiction within the County.
- g. Director's Decision.** In determining the validity of the costs, the Director or his/her designee shall consider whether the total costs as charged have been fairly and accurately calculated. Factors to be considered include whether the time and personnel spent in enforcement were reasonably necessary to bring about compliance and whether the rate charged is the current rate established by the County.
- i. Appeal.** The decision of the Director or his/her designee may be appealed by filing a written Notice of Appeal with the Clerk of the Board within ten (10) days after service by mail on the violator, property owner, or other person having possession and control of the property, of the decision of the Director. The appeal shall be heard by the Board of Supervisors which may affirm, amend or reverse the decision and may take any other action deemed appropriate. The Department shall give written notice of the time and the place of the hearing to appellant. In conducting the hearing, the Board of Supervisors shall not be limited by the technical rules of evidence.

Section 22. ADMINISTRATIVE CITATIONS AND PENALTIES.

In addition to the remedies and penalties contained in this ordinance, and in accordance with Government Code Section 53069.4, an administrative citation may be issued for any violation of County Animal Control Ordinances. The following procedures shall govern the imposition, enforcement, collection and administrative review of administrative citations and penalties.

- a.** Notice of Violation. If an animal is owned, kept, maintained, or found to be in violation of a County Animal Control Ordinance, an administrative citation may be issued by the animal control officer. An administrative citation will not be issued for violation of Section 5 (Mandatory Licensing of Kennels and Catteries) prior to a written notice of violation being issued.
- b.** Content of citation. The administrative citation shall be issued on a form approved by County Counsel and shall contain the following information:

 1. Date, location and approximate time that the violation was observed;
 2. The ordinance violated and a brief description of the violation;
 3. The amount of the administrative penalty imposed for the violation;
 4. Instructions for payment of the penalty, and the time period by which it shall be paid and the consequences of failure to pay the penalty within this time period;
 5. Instructions on how to appeal the citation;
 6. The signature of the animal control officer.

The failure of the citation to set forth all required contents shall not affect the validity of the proceedings.

- c. Service of citation.
 - 1. If the person who has violated the County Animal Control Ordinance is present at the scene of the violation, the animal control officer shall attempt to obtain his signature on the administrative citation and shall deliver a copy of the administrative citation to him.
 - 2. If the owner, occupant or other person who has violated a County Animal Control Ordinance is a business, and the business owner is on the premises, the animal control officer shall attempt to deliver the administrative citation to him. If the animal control officer is unable to serve the business owner on the premises, the administrative citation may be left with the manager or employee of the business. If left with the manager or employee of the business, a copy of the administrative citation shall also be mailed to the business owner by certified mail, return receipt requested.
 - 3. If no one can be located at the property where the violation occurred, then the administrative citation shall be posted in a conspicuous place on or near the property and a copy mailed by certified mail, return receipt requested to the owner, occupant or other person who has violated the ordinance. The citation shall be mailed to the property address and/or the address listed for the owner on the last county equalized assessment roll. The citation shall also be mailed to any additional address for the owner in Department records.
 - 4. The failure of any interested person to receive the citation shall not affect the validity of the proceedings.
- d. Administrative Penalties
 - 1. The penalties assessed for each violation of a County Animal Control Ordinance shall not exceed the following amounts:
 - i. One hundred dollars (\$100.00) for a first violation;
 - ii. Two hundred dollars (\$200.00) for a second violation of the same administrative abatement order within one year;
 - iii. Five hundred dollars (\$500.00) for each additional violation of the administrative abatement order within one year.
 - 2. If the violation is not corrected, additional administrative citations may be issued for the same violation. The amount of the penalty shall increase at the rate specified above.
 - 3. Payment of the penalty shall not excuse the failure to correct the violation nor shall it bar further enforcement action.
 - 4. The penalties assessed shall be payable to the County of Riverside, Department of Animal Services.
 - 5. Where the violation would otherwise be an infraction, the administrative penalty shall not exceed the maximum fine or infraction amount.
- e. Administrative Appeal of Administrative Citation.
 - 1. Notice of Appeal. The recipient of an administrative citation may appeal the citation by filing a written notice of appeal with the Department. The written notice of appeal must be filed within twenty (20) days of the service of the administrative citation as set forth in subsection c. above. Failure to file a written notice of appeal within this time period shall constitute a waiver of the right to appeal the administrative citation. The

notice of appeal shall be submitted on county forms and shall contain the following information:

- i. A brief statement setting forth the appellant's interest in the proceedings;
 - ii. A brief statement of the material facts which the appellant claims supports his contention that no administrative penalty should be imposed or that an administrative penalty of a different amount is warranted;
 - iii. An address at which the appellant agrees notice of any additional proceeding or an order relating to the administrative penalty may be received by mail;
 - iv. The notice of appeal must be signed by the appellant.
2. Administrative Hearing. Upon a timely written request by the recipient of an administrative citation, an administrative hearing shall be held as follows:
- i. Notice of Hearing. Notice of the administrative hearing regarding the administrative citation shall be given at least ten (10) days before the hearing to the person requesting the hearing. The notice may be personally delivered to the person requesting the hearing or may be mailed to the address listed in the notice of appeal.
 - ii. Hearing Officer. The administrative hearing regarding the administrative citation shall be held before the Animal Services Director. The hearing officer shall not be the investigating animal control officer who issued the administrative citation or his immediate supervisor. The Director may contract with a qualified provider to conduct the administrative hearings or to process administrative citations.
 - iii. Conduct of the Hearing. The investigating animal control officer who issued the administrative citation shall not be required to participate in the administrative hearing regarding the citation. The contents of the investigating animal control officer's file shall be admitted as prima facie evidence of the facts stated therein. The hearing officer shall not be limited by the technical rules of evidence. If the person requesting the appeal of the administrative citation fails to appear at the administrative hearing, the hearing officer shall make his determination based on the information contained in the notice of appeal.
 - iv. Hearing Officer's Decision. The hearing officer's decision regarding the administrative citation following the administrative hearing may be personally delivered to the person requesting the hearing or sent by mail. The hearing officer may allow payment of the administrative penalty in installments, if the person provides evidence satisfactory to the hearing officer of an inability to pay the penalty in full at one time. The hearing officer's decision shall contain instructions for obtaining review of the decision by the superior court.
- f. Review of Administrative Hearing Officer's Decision. If the recipient of an administrative citation disagrees with the administrative hearing officer's

decision upholding the issuance of the administrative citation and/or administrative penalty amount assessed, the recipient may appeal the issuance of the administrative citation to the superior court as set forth in this section.

1. Notice of Appeal. Within twenty (20) days of the delivery and mailing of the hearing officer's decision regarding the administrative citation, the recipient of the administrative citation may contest that decision by filing an appeal to be heard by the superior court. The fee for filing the notice of appeal is twenty-five dollars (\$25.00). The failure to file the written appeal and to pay the filing fee within this period shall constitute a waiver of the right to an appeal and the decision shall be deemed confirmed. A copy of the notice of appeal shall be served in person or by first class mail upon the Department of Animal Services by the contestant.
2. Conduct of Hearing. The conduct of the appeal hearing is a subordinate judicial duty and may be performed by traffic trial commissioners and other subordinate judicial officials at the direction of the presiding judge of the court. The appeal shall be heard de novo, except that the contents of the issuing agency's file in the case shall be received into evidence. A copy of the issued administrative citation providing notice of the violation and imposition of the administrative penalty shall be admitted into evidence as prima facie evidence of the facts stated therein. The court shall request that the issuing agency's file on the case be forwarded to the court, to be received within fifteen (15) days of the request.
3. Judgment. The court shall retain the twenty-five dollar (\$25.00) fee regardless of the outcome of the appeal. If the court finds in favor of the contestant, the amount of the fee shall be reimbursed to the contestant by the Department of Animal Services. Any deposit of the fine or penalty shall be refunded by the Department of Animal Services in accordance with the judgment of the court. If the fine or penalty has not been deposited and the decision of the court is against the contestant, the issuing agency may proceed to collect the penalty pursuant to the procedures set forth in this ordinance, or in any other manner provided by law."

Section 23. PUBLIC NUISANCE.

- a. The possession or maintenance of any dog, cat or other identified animal or the allowing of any dog, cat or other identified animal to be in violation of this Ordinance, Ordinance No. 771 or any other County ordinance or state law, is hereby declared to be a public nuisance. The Animal Services Director and any Riverside County peace officer are hereby directed and empowered to abate any such public nuisance independently of any criminal prosecution or the results thereof, by any means reasonably necessary to accomplish said abatement including but not limited to the destruction of the dog, cat or other identified animal involved, or by the imposition of specific reasonable conditions and restrictions for the maintenance of such dog, cat or other identified animal. Failure to comply with such conditions and restrictions is a misdemeanor. The owner of such dog, cat or other identified animal shall reimburse the County of Riverside for all costs incurred in enforcing compliance with the provisions of this Section 24. The County of

Riverside, by and through the Animal Services Director, may also commence and maintain such proceedings in a court of competent jurisdiction as are appropriate under the laws and regulations of the State of California for the abatement and redress of public nuisances.

- b. At least ten (10) working days prior to the impoundment or abatement or both pursuant to Section 24 Subsection (a) of this Ordinance, the owner or custodian of the subject dog, cat, or other identified animal shall be notified by the Animal Services Director, in writing, of the right to a hearing to determine whether grounds exist for such impoundment or abatement or, where applicable, both. Said notice shall be served by hand-delivery or by registered or certified mail, postage prepaid, return receipt requested. If the owner or custodian requests a hearing prior to impoundment or abatement, no impoundment or abatement shall take place until the conclusion of such hearing, except as provided in Paragraph (c) below.
- c. When, in the opinion of the Animal Services Director, immediate impoundment is necessary for the preservation of animal or public health, safety or welfare, or if the subject dog, cat or other identified animal has been impounded under any other provision of this Ordinance or any law or regulation of the State of California, the pre-impoundment hearing shall be deemed waived; provided, however, that the owner or custodian of the subject dog or cat shall be given notice by the Animal Services Director, in writing, which would allow five (5) working days to request an abatement hearing. Service of such notice shall be in accordance with the service methods specified in Section 24, Subsection (b) of this Ordinance. Where requested by such owner or custodian, a hearing shall be held within five (5) days of the request therefor, and the subject dog, cat or other animal shall not be disposed of prior to the conclusion of the hearing. If, after five (5) working days from the date of service of the notice specified in this Subsection (c) of Section 24 of this Ordinance, no request for a hearing is received from the owner or custodian of the subject dog, cat or other animal, such dog, cat, or other animal shall be disposed of pursuant to applicable provisions of law.
- d. All hearings pursuant to Section 24 of this Ordinance shall be conducted by the Animal Services Director personally or by a designee who shall not have been directly involved in the subject action. Hearings shall be held not more than ten (10) days from the date of receipt of the request for the hearing and shall be conducted in an informal manner consistent with due process of law. A hearing may be continued for a reasonable period of time if the Animal Services Director deems such continuance to be necessary and proper or if the owner or custodian shows good cause for such continuance. Within ten (10) days after the conclusion of the hearing, the Animal Services Director shall render, in writing, his/her findings, decision and order thereon and shall give notice of said findings, decision and order to the owner or custodian of the subject dog, cat or other animal; service of such notice shall be in accordance with the service methods specified in Section 24, Subsection (b) of this Ordinance.
- e. Pursuant to Food and Agriculture Code Section 31622, the owner or keeper of a dog can appeal the decision of the administrative hearing to the municipal court.

Section 24. ADJUSTMENTS OF FEES. All of the fees set forth in this Ordinance shall be in effect until the Board of Supervisors shall by ordinance fix some other fees upon the basis

of a cost-analysis as determined by the Riverside County Auditor-Controller or, where applicable, pursuant to a change in the applicable laws and regulations of the State of California, or where applicable, both.

Section 25. SEVERABILITY. If any provision, clause, sentence or paragraph of this Ordinance or the application thereof to any person or circumstances shall be held invalid, such invalidity shall not affect the other provisions or applications of the provisions of this Ordinance which can be given effect without the invalid provision or application, and to this end, the provisions of this Ordinance are hereby declared to be severable.

Section 26. Ordinance Nos. 455, 455.1 through 455.70, inclusive, are hereby repealed.

Section 27. WAIVER OF FEES. At the discretion of the Animal Services Director, the impoundment fees recoverable under Section 11 may be waived by the Animal Services Director based upon indigent circumstances of the owner of the impounded animal that are verified by the Department of Animal Services so long as the animal is being kept and maintained in accordance with all other provisions of this Ordinance, the County Ordinances, and State Law.

This Ordinance shall take effect thirty (30) days after its adoption.
